

MEETING REPORT

Team Name: Eren Travel Agency Team

Date of Meeting: 29/04/2026

Start Time: 12:30

End Time: 13:30

Meeting Location: EPOKA Campus

Moderator: Donald Ferati

Other Members Present:

Ajmi Capo
Ergi Lika
Idon Nurja
Anxhela Todaj
Renis Veliu
Uendi Velaj

Members Absent:

None

Topics Discussed:

- Progress of the website implementation and software development phase.
- Backend API development using ASP.NET Core Web API.
- Integration of frontend pages with backend services and database operations.
- Development of authentication and authorization for different user roles.
- Implementation of CRUD operations for packages, reservations, reviews, and user management.
- Database structure improvements using Entity Framework Core and MySQL.
- Testing implemented functionalities and resolving integration issues between frontend and backend.

Decisions Made:

- The team agreed to focus on completing the main website functionalities and improving system stability.
- Coding responsibilities were divided evenly among all team members to ensure balanced contribution during development.

- All modules must follow consistent coding standards and project structure.
- Frontend and backend functionalities will continue to be tested together after each implemented feature.
- Bugs identified during testing will be documented and fixed before the next implementation phase.

Tasks Assigned:

- **Ajmi Capo:** Worked on travel package APIs and implementation of package management functionalities.
- **Donald Ferati:** Worked on authentication, authorization, and login/register functionalities for system users.
- **Ergi Lika:** Developed reservation and booking system functionalities, including reservation validation logic.
- **Idon Nurja:** Worked on database entities, relationships, and Entity Framework migrations.
- **Anxhela Todaj:** Developed and improved frontend pages and integrated them with backend APIs.
- **Renis Veliu:** Worked on debugging system functionalities and testing frontend-backend integration.
- **Uendi Velaj:** Implemented JavaScript functionalities and connected website forms with backend services.

Time, Place, and Agenda for Next Meeting:

Date: Next Wednesday 06/05/2026

Time: 12:30 – 13:30

Place: EPOKA Campus
